After viewing some final student multimedia reports, we'll discuss some organizing lessons and planning ideas found at:

### Webquests

[Career and Life Planning Webquest](#) Sites  
(from Bernie Dodges San Diego State University site)

[Butcher, Baker, Candlestick Maker:](#)  
Unemployed students find out how to search for a new career

[FutureQuest Learners think about their own career](#)  
choices by acting like counselors to four simulated kids.

### MSOffice/Scholastic online lesson plans

[Our Brilliant Careers](#)  
["Biz Start-UP"](#)

Then we'll review all of the Internet resources needed:
